

ETHIOPIA'S ACCESSION TO WTO : MILESTONES

- **Memorandum for Foreign Trade in 2002,**
- **The third working party held in 2012,**
- **After the last working party, Ethiopia was supposed to table a Services Offer,**
- **But almost no movement because main services like finance, telecom and transportation remained closed,**
- **Under new PM Abiy, it is now becoming again a priority as part of business climate improvement so to speed up WTO accession on issues related to services.**
