

Simple and reliable online assessment.

The puzzle of distance learning exams

Complex

Stress & Fraud

Our solution: Evalmee

An **online** solution to assess **remotely** with **anti-fraud** system

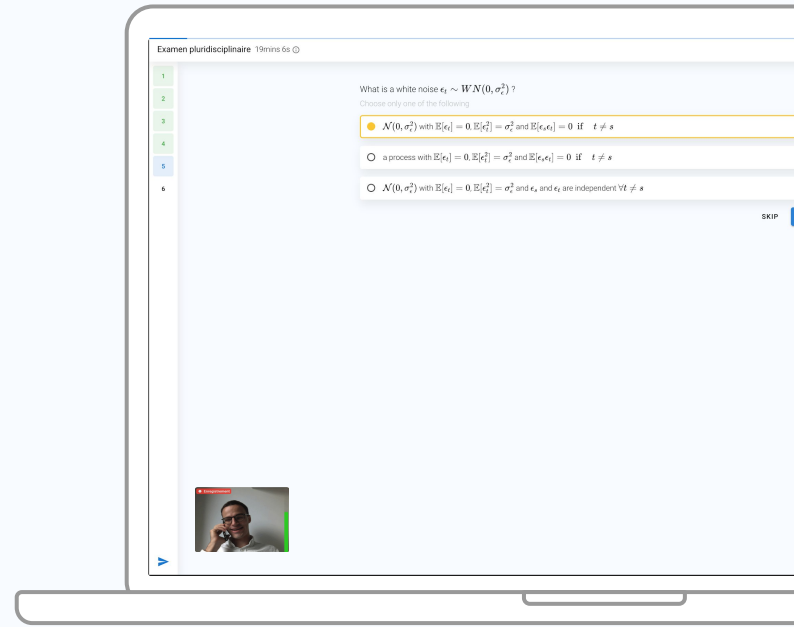

Simple & Robust

Advanced anti-fraud features

100% GDPR

Benefits for your exams

Credibility of grades

« We had a similar distribution of grades like in class. »

Saving time

« The logistics were ultimately lighter than on site. »

Fast deployment

« Candidates and correctors quickly got familiar to the solution. »

Our partners

Testimonials

« Very **smooth** and **intuitive** set up of the exam »

Andrea C, Professor at CS

« Very easy to use, very **intuitive.** »

Marine A, Professor at EFAP

« More **practical** and **modern.** »

Oriane S, Student at CS

« **Simpler** & more **reassuring** than other tools. »

Maxime B, Student at CS

Our ambition

Make **remote exams** as **easy** as on-site exams
